The Premises:

Ok flat in a safe apartment block a few minutes walk from underground a few doors to negotiate but OK for seasoned punters.

Decent enough place warm and in good order shower and bath available. However, it seems like ALL Asian girls she lives in the DARK Why do they do this? Part of the experience of punting is to see what is happening. Candles! why it?s not a intimate date of lovers it?s a punter there to fuck the girl!

The Lady:

Great looking girl sexy hold ups and fuck me shoes. and as per photos. Very small and delicate small sweet looking ass, but it all looked in proportion. So was desperate to get at her.

The Story:

Have thought hard about this report. Started with a little OWO in living room and then off to bed room. She quickly dispensed with clothes and continued with OWO and RIM which was good but not out of this world and don?t feel I was ever at the point of cumming during it.

She laid me on the bed and proceeded to fuck me CG which I don?t mind but it was clear she wanted me to cum and I dutifully did.

Long and strong massage which was good, but at no point any indication of a round 2.

On the whole DISSAPOINTED, no intimacy , no RO and no touching her pussy. She is advertised as offering A and I was so looking forward to getting inside that ass but again nothing offered or even suggested. If they advertise then this should be offered.

i would recommend as she is both cute and fit, but would not return.
