The Premises:

Her place is near Sandilands tram stop. Very quiet area and unsuspecting. Quiet and peaceful. Once in her room I felt safe. Her flat was clean and I was constantly complimenting her on her home decor.

The Lady:

She wasn't ugly and had both good skin and teeth. She also smelt good. Breasts were on the small side but her hips, legs, bum were this, just how I like woman. I think the term I'm looking for is fuller figured.

The Story:

I had a great time with Chloe but I don't think she enjoyed it with me too much which is why I probably wouldn't see her again although I would love too as she's good at what she does. She's Polish and very kind/friendly and polite. She didn't want to do kissing or fingering but the sex and owo were not a problem which I have to be honest surprised me. All in all, I was content with my visit but simply because I didn't think she was happy, I probably would refrain from going back.
