### The Lady:

Honey.... British. vivacious and curvy. Big enhanced boobs with sensitive nipples. some cool tats. Lovely kissable lips. Marilyn Munro blonde. Photos are accurate. Fantastic full fat kisser

Sam long black hair Pics are fairly accurate with some skin smoothing in the pics. I loved her curves. She has had a child and her body is good condition. Amazing full fat kisser with tongue piercing

### The Story:

I had a lump of cash and wanted a two girl interactive experience. Honey plus another was available but any other girl was not fully lezzy interactive. Sam joined us and was actually fairly lezzy although originally saying that she was not.

The girls stripped and kissed me. Honey sucked my cock as Sam snogged me. Both girls kissed me all over sucking my cock together. I licked Sam out as Honey sucked my cock until I begged her to stop. I wanted to come at the end and boy did they have me on the edge for 1.5 hours. I licked honey .....and she has a wonderful pussy. I was snogging Honey on the bed with sam behind me playing with my cock as I was kneeling over honey when I felt a sneaky finger in my arse from Sam. I was close to cumming the whole time.

Sam went to get some drinks and returned to me balls deep in Honey's wonderful pussy. I couldnt shag her too hard as I was so close to cumming. I pulled out and had a break and more snogging before fucking Sam with Honey kissing me all over.

The final climax was me shagging Honey again in mish position with Sam fucking me with two fingers until I emptied my heavy swollen balls into Honey. Honey took to me the shower and washed me off.

So many memories! and so much missed out on this report. Both girls are sensual sexy women.
