The Premises:

We met at Victoria's clean flat in a reasonable, safe residential area

The Lady:

Victoria is a well built cuddly young lady with natural red hair and freckles

The Story:

Being up in the north east on business and family matters, I had the opportunity to visit Victoria for the second time.

Having many common interests, we get on well together and know what the other likes so we had another very enjoyable time doing all sorts of naughty things that I reported on previously. So no need for me to go into details but I would say Victoria is a very obliging young lady and well worth a vist.
