The Premises:

Very nice and clean, I parked abit far away but it was easy to find. I buzzed then noticed the door was ajar. Looked like someone left the door open, which shocked her as I was standing at the stairs. Sorry!

The Lady:

Olivia is one hot girl, great figure and dressed to kill! she had a nice black dress on which really showed her figure off. Looked exactly like her pics. Amazingly hot!

The Story:

Olivia welcomed me in, sat down nice chilled out. offerd me a drink and snacks! I couldn't resist, I am a lil' sucker for snacks, so we had a few snacks and drank. After this she gave me a clean towel to shower.

I came out to see her in her underwear, WOW! she got me laying on my back and massaged me a little, then worked on more intimate areas. She has skills! I returned the favor and played with her at the same time. After this I was ready and wanted her so bad. she rode me very well. I actually liked how she grinds. For me harder the better :) she is perfect! I am sure she climaxed more than once, I let her lay down after this and kept on going.

I know she enjoyed the night as she was tired and sleepy after she just wanted to rest abit before giving me a massage to finish it off. It has to be my best punt ever! Funny thing was she thought I would be a quick session, but turned out being longer than she expected glad I was not the only one that enjoyed the time.

I can't wait till next time. Maybe I'll book her for longer.

Thank you Olivia :)
