Large flat which she shared with one other working girl

The Lady:

Great! Fantastic looks and her breasts and nipples are the same shape and size as her pics. Nipples are pink, not dark as shown in the photos. But nice and perky.

The Story:

Actually booked her through another agency which does not give permission for punternet reviews. When I sampled her delights for the initial 1 hour booking, I extended the booking for another hour - because she was so good with her services. I asked her to oral pleasure me on a stop and start basis so I could get prolonged pleasure until the end. So in between I was massaged with baby lotion, cock was licked and sucked, and she rubbed my cock with her pubes (while still wearing silky panties). Wonderful conversation too about lots of things. Of course I finally exploded deep in her mouth.
