The Premises:

Used to be called Arabian Nites, on an industrial estate but fairly discrete. Two negatives, firstly the door fee set up - you have to pay ?10 through a small hatch before the second door opens, very odd! Secondly the rota on the website said 3 girls were working, place was very quiet, only me, the receptionist and thankfully the lovely Keeley.

The Lady:

Tall, really nice body, long legs, great breasts, what more could any man want!

The Story:

I really enjoyed the punt, very friendly lady with all the right skills. Nice massage to start, including good full body to body contact, oral both ways (covered for me but owo was offered at extra cost) followed by full sex. All over too soon but that's my problem!

Never felt rushed, nice chat afterwards, given an orange juice on arrival and offered another drink afterwards.
