The Premises:

As previously described my usual haunt in B-O-T.

The Lady:

Tall Chinese girl with long black hair. Very round oriental pretty face. Nipples like organ stops and a bit of muff around the muff.

The Story:

Welcomed by my friend at the door and given a hug. Introduced me to Jenny and sorted out the paperwork. We both undressed and I asked for OWO. She is exceptionally skilled in this department and gave me excellent head with variations in depth and pressures. Lots of eye contact. She fucked me cow-girl before I had her doggy and then mish to finish whilst I sucked on those big nipples. Only closed mouth pecks to the lips. Ended the session with a nice back and legs massage. Would see her again but girls change every week.
