The Premises:

My second visit to this establishment. Quietish residential street just next to the shopping centre. A couple of dullard mums with pushchairs to circumnavigate but that's standard. I always find the walk to the front door the most nervy bit of punting - so did another bloke, apparently, as when I got upstairs I spent 10 mins peeking out through the curtains - poor guy must've walked past about 10 times trying to build up the courage / circumnavigate mums.

The Lady:

Missy's photos on the site don't show her face so when she appeared I was very happy indeed. Very pretty face, very hot body, and only 18, so basically a wet dream come true.

The Story:

Pretty much exactly what I wanted. Missy doesn't act like a typical WG, maybe as she hasn't been doing it for very long, but that's quite refreshing - she's like that innocent girl next door that you fantasise about. Not like a GFE at all, but who wants that anyway? If you want a GFE just go get a boring, life-sucking girlfriend.

Not much more to say other than amazing OWO, great eye contact and a really great CIM to finish. But unlucky, suckers, she's off to Australia next week!
