The Premises:

Not a bad area, end of queensway away from the main crowds but safe. Nice apartment, big bed

The Lady:

As in photos, extremely pretty, beautiful eyes, smile and a killer body - although the fake tits are a bit overdone for me

The Story:

Delisha is gorgeous, but not a great punt at all. Didn't want me to touch her nipples, didn't kiss (which is a crime because she has lovely lips). She did OWO, but I had to explain that I am clean, and she made it clear no CIM. She asked me how many punts I had been on and what agencies I used, which was odd and overall I just felt she was not interested or even pretending to be.

Shame because she is very attractive and has a great body, if that's all you are looking for then you could have a great time - but I prefer a bit more.
