### The Story:

The receprtionist got me hook on jodi before I seen her ! The description was she was this sexi 40 glamour model , yes don't get me wrong if your into the older wag thing . Anyway I was jut shove in the room and told me that jodi would be in. . I know I said jodi on phone but never even got a glimpse of other girls . Anyway afyer waiting ten mins listenin to jodi and the receptionist chatting away . Jodi looked hot when she first came in . Then things went wrong I looked at at her closely yes she has a not bad figure but close up face inspection she wasn't all that . I seen sapphire before and would say she look younger then jodi . But yes her service was not bad but not for me . So any men who lookin for a GILF she maybe the one .
