### The Premises:

Very nice apartment. Was able to have a shower, clean, very comfortable and spacious.

### The Lady:

Sexy Indian lady with big bambi like eyes, D cup, slim, around 5ft 4, lovey hair and tanned skin, looks the same as in her photos.

### The Story:

I've seen Jada once before and I normally don't do incalls. I prefer the lady coming to see me. Unfortunately Jada would not have been able to make it to my hotel at the requested time, so I decided to go and see her after seeing she would be on her own. I'm very glad I did, Jada seems to have become even more ravishing since the last time I saw her. We chatted at first and it was nice she remembered something about the conversation we had last time, not that I was concentrating on what she was saying. I was busy trying to eye up that ample bust of hers through what she was wearing. Jada is such a tease at first, I'm sure she does that on purpose. Sitting there and chatting and laughing with me and staring at me with those big eyes while her jugs are popping out her dress and moving up and down when she laughs. She is such a lovely lady though. She started taking her clothes off while still talking to me and seemed very happy and relaxed in her flat and chatted to me during the massage which was very nice. I asked for body to body massage and she rubbed those nipples up and down my chest which really got me going. She seemed to be enjoying doing that herself as her nipples looked hard to me and that moaning was such a turn on. She put the condom on and started sucking me while playing with my balls, her oral skills are great. She then climbed on top of me and rode me with me squeezing that gorgeous arse of hers and sucking those big brown nipples till I was right where I wanted to be. Jada is an intelligent and sophisticated lady and such a good fuck, exactly what I require. We chatted some more and she took me to that place again. What a girl. Had a shower before I left and we chatted again before I left. Will be back sooner this time.
