The Story:

A poor punt but again it comes down to the girl not offering services as advertised. I was assured French kissing and owo on the phone, all included ya ya ya, but after the cash was handed over it just wasn't try. Kissing on lips only and she wanted extra for the owo. No fingers (which to be fair was never agreed before hand) and crappy attempts at foreplay. I came and got quite posse off with her lack of 'customers service' shall we say. Fair play tho she agreed to refund some cash some paid for only half an hour. Sme of you guys might hit it off with her for some extra cash but I didn't. I'd hoped to see Alex at Liasons who is AWESOME but she was busy. I've seen Julia lately who was also great and a visiting girl called TamzinRose - she was more expensive and didn't want a report done here but she was also amazing. There is much better to be had so really just save the money and look elsewhere.
