The Premises:

Usual spotless Annabellas flat in Milton Keynes. Safe parking. Had a lovely shower in the wet room too.

The Lady:

Absolutely perfect, stunningly beautiful with lovely soft red kissable lips (I do have a bit of a lip fetish), I could kiss her for hours. Her skin is flawless, lovely pair of tits, and the sweetest tasting pussy you could ask for. Besides that, something rare in this game, Adele is a lovely person too, really chatty and friendly, this is so important to make the whole visit all the better.

The Story:

This is my second visit to Adele and definitely will not be my last. I won't go into too much detail but this was proper girlfriend experience, full on french kissing, the best blowjob and fuck I have ever had, Adele is either a very good actress or enjoyed herself for real, I'm certain it's the latter.

Much as I want to keep her all to myself, go and see Adele and I guarantee you will not be disappointed, she is a real gem, treat her well and you will have the experience of a lifetime!
