The Story:

Had a very nice time, Misha is very friendly and easy to talk to, her English is pretty good. Lovely DFK. Superb OWO, didnt ask if CIM was available so I had to control myself. She put the condom on very expertly using her mouth and as is usual I didnt last too long with her on top. One thing I found a little unnerving : she looks like one of Prince Andrew's daughters (can't remember which one). So I kept thinking of that when looking at her face! Time after for a very expert massage, she has very strong hands.
