The Premises:

This is her place.....either where she lives or a place where she works from, its very discrete & easy to find.

Felt safe & because of where it is- it isnt "overlooked", safe place to park.

The place itself is a really nice place to be....clean warm & tidy.

The Lady:

Her website pictures are stunning in from what you are shown...the reality is very much the same she is simply a stunning girl, mid to late 30's & about say 5ft 6 tall. A really well shaped body & nicely proportioned.

I asked her to wear a simple tee shirt & leggings (my "thing") & she did just that....her very ample (natural) boobs looked just gorgeous, the view as I followed up stairs was simply stunning.

The Story:

We hadn't met before & only talked on the phone - Monica sets things up with a set of texts...very very smart girl.

Monica really is a very sexy & inventive lover & lets things take there natural path..she doesn't disappoint & really enjoys all she takes on.

To say we hadn't been together before this felt very natural & fulfilling.

She is attentive & wants to know about you...I will have no problem going back with her to sample the secretary outfit.

If she turned up at any office dressed like her pictures she would cause a riot.

Nice Girl, Nice place , Nice time.

Thanks Monica
