The Premises:

Flat in converted house on main road in Keynsham. Nothing special but fit for purpose. Safe area.

The Lady:

Fairly pretty black girl. Slightly pear-shaped figure with average-sized boobs and a curvy bum.

The Story:

Found this lady on the other site (where she has good reviews) and had high hopes for a good punt, however it didn't turn out so well. I called about an hour beforehand for a 1 hour incall, and drove to Keynsham as agreed. I called her at the agreed time, but was asked to wait as she had a relative staying and she would call me back. I ended up waiting 30 minutes past the agreed time before she called back, and I was then given confusing directions to find her flat which wasted another 15 minutes. After several phone calls she eventually talked me to her front door where I waited outside several more minutes to be let in.

Once in, she was very chatty and friendly, and I paid the expected ?120 for a 1 hour session. I took the offered shower and went through to the bedroom where I explained what I was after - oral, rimming and anal play both ways, which was readily agreed to.

We started with her giving me some oral briefly before lifting my knees back and giving me an enthusiastic and deep rimming.

I then offered to return the favour so she lay on her back and also lifted her knees back to give me access and I started to rim her. At this point I discovered (with my tongue) a dried fragment of toilet paper stuck in the centre of her bum hole, which was a bit off-putting. So, I slid a finger into her bum instead and started giving her oral. However, this lasted barely a minute before she faked an orgasm and pushed me away.

She then invited me onto all fours and gave me another good rimming before playing with my arse, and it became apparent that she was in a hurry to make me come. As I was running late by now anyway I decided to cut my losses and wanked myself to orgasm while she fingered with my arse.

I then took another quick shower, and despite the apparent rush to get the sex over with she

chattered away to me until well after I was finished dressing.

However, even with the chattering and 2 showers, I was still only in there for 40 minutes maximum despite paying for an hour.

I think if she was better organised and in less of a hurry, she could be a very good punt, and her rimming is top-notch. It's possible that the rush was due to the relative staying.

However, based on my experience on the day, I can't recommend her, and won't be going back.
