The Premises:

Clean double room in an anonymous house near to the shopping centre, plenty of parking nearby.

The Lady:

Attractive, well spoken 18 year old about 5'5" in height with shapely C-cup boobs. Despite her English rose complexion Missy has a slightly Mediterranean look about her.

The Story:

Having had a highly enjoyable hour with Missy the previous week I made sure to promptly pay her a 2nd visit as she is only escorting in MK for a few weeks. She once again proved to be ebullient company chatting candidly and bursting into laughter several times, such as when another punter stumbled into the room whilst I was in the middle of RO which she found hysterical!

Her GFE has a charming unrehearsed feel to it but despite her youth and lack of escorting experience Missy has a real talent for deep-throat OWO that few ladies I've been with over the years can match. Not only that but she was happy to do CIM (with swallow!) and facials all with a mischievous smile on her face.

Being ridden by Missy in cowgirl position was quite the experience and I was not at all surprised to discover that she is a seasoned equestrian the way she bounced up and down energetically without pausing for breath. Missy is also an enthusiastic kisser and was particularly keen to DFK as she brought herself to orgasm with her vibrator, grabbing the back of my head in order to plunge her tongue into my mouth.

A captivating young lady who is a natural at escorting.
