The Story:

This is a knocking shop hotel in Kingston, lots of people from the other site use this place as its so cheap, in and out in 23 minutes after paying for 30. Katalina shows you the time on her watch and mentions that you will get 30 minutes, had a massage to start that was quite nice, turned over and she immediately started a bbbj, a quick change of positions and then I asked for another bbbj, the hand job whilst sucking was very aggressive and I had to tell her to go easy, as soon as I had come she was gone giving me some wet wipes to clean up, in summary a nice looking girl that has obviously been tainted by the profession and she is now devoid of feelings. Not one that I will see again especially when enjoyable 40's in the same place returns. I suppose I got what I had paid for.
