Clean well decorated parlour. Friendly and felt comfortable and safe there. Shower in room and nice big double bed.

The Lady:

Holly must be the sweetest girl ever to work in a massage parlour. She's 18, very petite with a beautiful face and a gorgeous sexy smile. Totally amazing little body, the most suckable little breasts ever. She looked so cute and sexy in her fishnets. Lovely personality too.

The Story:

One of the best punts I've had for a very long time. I had to pay an extra ?10 for kissing, which I normally think is a bit of a con, but in this case was definitely worth it. She's a great snog. Said she didn't like reverse oral which was a shame as I'd love to have licked her little shaved pussy. I opted for O without to completion and Holly certainly knows how to give the perfect BJ with her gorgeous eyes looking at me as she did it. Pure heaven and I'll certainly be back to see Holly soon. She says she's Bi, so I may splash out on a 2 girl special.
