### The Premises:

Safe house in a residential way out of town.

### The Lady:

Belle is from Thailand, about 5', slim figure with enhanced breasts. Age probably mid/late twenties, a pretty little girl.

### The Story:

I declined the massage so I could get straight down to licking and kissing her well-enhanced breasts. She enjoyed that so I went down on her shaven pussy until she came. The on with the condom and oral then mish/doggy. She felt really smooth, just like velvet. All in all a pleasant punt although her English was not that good so little chance of too much chat.
