The Premises:

Located 5 minutes walk from Queensway/Bayswater tube stations. The room is a Studio room in a block of flats. Secure and safe location.

The Lady:

Exactly what you see on the pictures, she is on various sites. But she is petite, nice firm arse and nice false boobs. Very pretty as well.

The Story:

WOW, what a star! Ive been meaning to see her for ages, finally i got hold of her and what a joy!. She is a no holes barred sex bomb, very rarely do you get girls who will give you the full gfe with a twist of pse. Round one was delivered to perfection, with dfk, owo and sex in various positions. However before i had a chance to recover she was on top of me again , wanting another go! WOW i had to try the A service, and she did not dissappoint, we tried all postitions and finally exploded in doggy.

Well worth a Punt!
