The Story:

I've seen Cherry many times & always come away a very happy chap. She dresses to turn on & has a well stocked fridge of soft drinks, beer & wine.

There is a tv on, playing porn to get you fired up too.

She is very enthusiastic, giving full on PSE, face f'cking, anal, vaginal in any position you like.

She is my all time favourite Escort, Asian or other because she is so willing to please.

Her slightly whacky personality is something I like too, if you've never seen her you might become addicted.

She can take it as hard fast & long as you are able, a real star:-)
