The Premises:

Clean luxury apartment located five minutes walk from Warren Street. very discreet entrance system.

The Lady:

Naturally busty latin woman in her early thirties, in fantastic shape. Long brown hair, very pretty, brown eyes, large natural breasts, double d.

The Story:

Penelope greeted me with a genuine warmth and articulated a warm charismatic personality. I took a quick shower before we retired to her bedroom. Passionate sex followed and by the end of the hour we were both exhausted. Penelope is absolutely not a clock watcher and really enjoys what she does. I will look to return at the earliest opportunity because i not encountered this kind of real experience before with an escort. Penelope is latin dynamite.
