### The Premises:

Went to X Lounge during the afternoon. Nice venue. Very clean and discreet. Was greeted by owner. Waited about 15 mins for Simone as she was busy with another client.

### The Lady:

Very sexy body. Average height with a nice large tits with a well shaped firm arse. Seducing voice made her even more hot.

### The Story:

Opted for the ?60 service initially. Tried and succeeded in my luck with her. Her extras made the visit the best for anyone. We skipped the massage and went straight into the main business. I went down on her first. She clearly enjoyed me giving her oral and with the use of some fingers and some licking, managed to make her cum. We then swapped and she gave me the best OWO. Her oral is one of the best I've ever had. Then came on the rubber and I fucked her hard in her arse. She was loving it so much she gave me the best squeeze on my arse. Then we swapped holes and fucked even more. Out then came the rubber and I shot my load all over her face. It was my best punt in years. I'll be seeing you soon Simone
