The Lady:

5'6 BBW Curvy in all the right place, long curly brown hair, About a size 16. Beautiful eyes and a great personality and sense of humour.

The Story:

Having day off work to recover from a stag party decided to visit Bibi, have tried once before but couldn't contact. Arrived at flat met with a long passionate kiss and lead into bedroom... After getting the donation out the way carried on with more passionate kissing and slowly undressed each other.

I pushed Bibi onto the bed and gave her a good tonguing and was rewarded when she squirted into my mouth, I then fingered her till she squirted again and made her lick my fingers.....mmmmmmmm. She responded by sitting on the edge of bed and giving me an excellent BBBJ.

Then we used toys on Bibi until as she was about to squirt again I quickly put on a condom pulled out the vibrator and replaced it with my dick and we came together, her hot squirt covering my dick.

The rest then became a blur of frantic fucking mixed with chatting like old friends about the nature of the punting business..

Finished off with some mutual masturbation, I came and Bibi scooped it up and licked it off her fingers....

3 times in 2 hours for me...

overall an awesome puny, if you are in Leeds you must try and see this BBW.
