The Premises:

Centrally located easy to find.

The Lady:

Attractive enough but a real disappointment to find a woman in her 30?s when the ad says 20yo, you can always tell by the hands. Slim body but I would say she has had a child judging by her boobs & less than tight below.

The Story:

Is was OK but no kissing whatsoever. Oral was OWO but no CIM and wasn?t that great anyway. Sex was in various positions was fine but she keeps her legs together so you cant go that deep in mish, ended in doggy.

In hindsite should have seen the warning signs as she advertises 15 min quickies on the purple site and thats what it felt like more a quickie with a hooker than an escort experience. Shes worth a 15/30 quickie but if you are expecting to fuck a 20yo tight body and tight pussy Id say look elsewhere.
