### The Premises:

Good directions given by text. 1st floor flat in a complex with private parking. Using satnav her postcode took me right into the car park. Warm and clean inside. Very safe. Didn't notice any curtain twitchers.

### The Lady:

Sheila is aged 40 but looks 10 years younger. She is Spanish but speaks good English albeit with a strong accent which can make it a little difficult to understand her. Tall (about 5'9") fair hair, very slim, small but sensitive breasts with lovely nipples, small (almost boyish) bottom, long shapely legs. She is completely shaved down below and calls her fanny her "pink panther"! In my opinion she is absolutely gorgeous - but then again I don't like BBW sized girls!

### The Story:

I found her details on the "other" site. From the moment I arrived we hit it off. She is very friendly and also very funny with a great sense of humour. She French Kisses enthusiastically and we progressed to RO, OWO, 69 and then sex in missionary position. I managed to make this a protracted session lasting about 10 minutes and my pleasure was greatly enhanced by her obvious enjoyment of the proceedings. We came together in a massive orgasm which left both of us breathless and laughing with pleasure.

After a rest and chat she gave me a lovely back massage and it was obvious she'd had some training in this area. Then I said I'd like to try again and Sheila used all her little tricks to make me cum a second time. This session lasted about 20 minutes and I thoroughly enjoyed her efforts but the second finale was not to be and I had to admit defeat before showering and taking my leave of this lovely lady.

I shall return at a future date and have no hesitation in recommending her.
