The Story:

Well i turned up and had the pick of 4 very nice ladys, i always like to have a look in person before i pick which one. well Lauren was the 2nd to enter the room and the moment i saw her and her lovely eyes i knew she was the one. i normaly only go for 30mins but wow what a woman and this time i went for 1hr. Lauren really did make me feel good and was very much wanting to please me in every way poss. This girl really is awesome at her job and i find it hard to know why im the first to put a feed back for her.

Thank you very the best hour i have had in years and i for sure will be back for more. xxx
