The Premises:

Well reported place in Northampton now under new management. Door opened by a young Hungarian guy which was a little off-putting for a Thai parlour. But he is very pleasant and explained that his partner manages the place. Had to wait for a girl to get ready as they had been working until 3.00am. Only one girl available (Jade) but no complaints.

The Lady:

Jade is a petite Thai lady in her thirties. Stands about 5' nothing with a nice figure and large firm tits (if they are enhanced I couldn't tell). She has a pretty face and long black hair.

The Story:

Decided to spend an hour including spa bath. Asked if I could cum twice in the hour and she agreed. Some kissing and fondling then oral with which was very nice. Fucked her doggy and came too quickly. As she cleaned me up she said it would be her turn to come next time. Into the spa bath which was a bit of a disaster as she couldn't get the water coming in to stay at a reasonable temperature as it fluctuated from boiling to freezing. Not her fault. Back to the bed for firm massage which I enjoyed. With 15 minutes to go to the end of the session she tried everything to get me hard again. Oiling my prick, wanking it, kissing the shaft and ball end and rubbing her body all over me - but all to no avail he would not rise again to the occasion. I was pleased she tried so hard though!! Finally I had to admit defeat and got dressed. She apologised again for the pipework - I should have apologised for mine!
