The Premises:

As described previously. Average flat near Kingston railway Station. Reached by iron staircase at back. I was left at the top of the stairs for a couple of minutes after ringin the bell as maid was busy with previous punter. Felt reasonably safe.

The Lady:

Whoooooaaaar!!!

The 36FF are for real. Slight tum (Hayley said she has put on some weight recently) but still slim as far as I'm concerned. Lovely smooth skin, and a very pretty face. Under thirty I'd say.

The Story:

With so many good reports about a lady with 36FF assets why hadn't I been before? Well I'm rarely in SW London and never on a Thursday but today I decided to make a special trip to see for myself and I wasn't disappointed. Hayley is that rare breed of girl who comes over as demure, intelligent and sexy - all at the same time. I could see I was ging to enjoy this from the moment I set eyes on her figure and caught glimpses of her straining white bra through her silk gown. We agreed ?80 for a come twice session with french and breast relief (BR is the only thing Hayley does uncovered).

Started with a good massage, chatting all the time. Turned over and then Hayley stood up and did a sexy strip dance at the end of the bed (The kind of dance you pay ?20 for 3 minutes in a lap dance club) which ended up with those magnificent boobs wrapped around my ears and me trying to breathe!!! They really are magnificent - and natural. We then moved back onto the bed for round one. Hayley's oral technique is excellent and watching her head bob up and down as I gently squeezed her boobs it didn't take me long. After a clean up we continued chatting and then Hayley asked me if I was any good at massaging. She told me later I was!!! Then onto round two. On with another raincoat and away we went again. I'm always a lot slower the second time, and after about 10 minutes Hayley said she was getting jaw ache and could we try something else. Always one to experiment, I was happy to oblige. Hayley lay on the bed and masterbated and I did likewise while playing with and licking those golden orbs. Problem solved. Geyser number two all over her boobs. Continued to chat as I dressed and got a peck on the cheek as I was shown out. At no time did I

feel rushed, and Hayley truly seemed to be trying to please. As Arnie says "I'll be back!!"
