The Premises:

Helen gave me her address along with the added information to find it easily and invited me to park on the drive which I did. By the time I had got out of the car Helen had opened the front door and was waiting to greet me. A?pleasant?residential?area but at the same time quite discreet with no concerns at all. Helen welcomed me into her very comfortable house with a lovely garden that I was pleased she showed me around before making a cup of tea and taking me upstairs.

The Lady:

Helen is a vary attractive, tall slim lady with short fair hair who I would say is in her 50's dressed most elegantly. The overwhelming aura that Helen projects is one of warmth,?friendliness?with sparkling sexiness and I was not in any doubt that I was going to enjoy my time with Helen :-)

The Story:

When upstairs Helen showed me the bathroom, the treatment room which was perfect for what was coming....and then took me into another room so I could undress and told me to make my way to the bathroom when ready. The bath was run and ready for me to relax in where Helen proceeded to help was me paying?careful?attention to the essential areas and when completed left me to finish off and dry myself and then join her in the treatment room which was perfectly lit and with some most relaxing music playing setting the?atmosphere?perfectly.

Helen was waiting for me dressed in just her very alluring lingerie which would soon be discarded as we embarked upon the experience.

Helen did not describe the service she offered as a massage but as a sensual experience with massage and without full intercourse and I would say describes the treatment?accurately. The treatment started off in a relaxing way with me on my front with gentle massage and included body to body massage and all the time Helen while in total control kept me guessing what was coming next. The experience built up from being relaxed to taking me to high of sexual excitement which included me touching Helen to add to the?anticipation?and excitement which was concluded perfectly while?lying?on my back taking in not just the?wonderful?feelings but seeing this very talented and sexy lady giving me what I can only describe as?wonderful?experience.

Afterwards Helen cleaned me up and offered me another bath to finish and wash the excess oil off.

During the whole experience Helen was warm friendly and of course very sexy and I can only describe the time as being a most?wonderful?experience?which I look forward to receiving again soon.
