### The Premises:

Arabian nites old building on an ind est in Doncaster, easy parking right outside

### The Lady:

Chloe is a young tall bubbly stunning young lady with a nice pair of pert boobs, great, no fantastic curvy figure, long black hair

### The Story:

Started with a massage then followed with some OWO, great sounds as she pulled her mouth away from my old chap, very sexy!! I performed oral on Chloe and gave her a nice gentle fingering, she was writhing about on the bed pushing her head into her pussy as I licked for England, she came which was nice, had some more OWO then onto sex in mish, she told me to push her legs whilst I banged away at her, very good punt, 2 out of 2 so far, everyone is really nice there, might become a regular anytime soon
