The Premises:

We spent a weekend together (Two nights in all). The first night was spent in my flat second, while the second was spent in a Hotel. Given, the fact that it was my flat and I chose the Hotel it is not good for me to comment further.

The Lady:

Amanda is a beautifully tall, blue-eyed blonde, who is a delight to be around.

The Story:

I had been trying to meet up again with Amanda, for a while. Finally, the perfect opportunity presented itself. We met for a weekend spending the first night in my flat and the second in a hotel.

It was a pleasure for me to have Amanda on my arm when entering a restaurant or a hotel. However, she certainly doesn't fall into the dumb-blond category. Speaking to her over dinner or indeed at any time is a pleasure; she is a uniquely gifted individual; articulate and intelligent with a strong personality.

In public she is charming and discreet, don't be fooled though in private she certainly knows how to have fun!

We had agreed previously that Mistress Amanda would come out and play for our private time together, she certainly took control and put me in my place. For the sake of discretion I won't say what happened between us, except to say that I had a fantastic time and thoroughly enjoyed myself. Although at the end I was informed that I was still in her bad books!

Oh well, I guess I will just have to arrange another meeting to try and get into her good books ?.
