Basement flat in parade of shops on main road. There is an alternative rear entrance which I'll be using in future as it's much more discreet. Inside is fine.

Great tits! Lovely body and face.

The Story:

I phoned quite late on a day when Amy was due to leave at 8pm, but she very kindly agreed to hang on for me. On arrival, she was immediately very easy to be with, very nice and chatty. I went for the full sex service. Amy got naked except for her red high-heels (so horny!) I declined her offer of massage to save time and she gave me one of the best blow jobs I've had. Great enthusiastic cock sucking with lots of good eye contact, occasionally pausing to spit on my cock then continuing. Also great lingering ball sucking. It was like watching myself in a top porno. Somehow I managed not to cum and we started fucking in mish position. She wrapped her high-heeled legs round me and instructed me to fuck her harder, and then harder still until I came hard in her lovely pussy (well, in the condom, but you know what I mean). Great girl and I can't wait to see her again.
