### The Premises:

standard good quality mk establishment. New location

### The Lady:

slimy busty, smiley, mad as a box of frogs, fun, oooh and still lactating

### The Story:

she is great. I have seen her before some years ago but she left the business to have a child and is back.

mesmerising kisser and so sensual and sexy. we kissed and undressed and kissed and i sucked those amazing boobs... so sweet and amazing experience.

she cums really well and likes to ride one orgasm into the next and cums even harder.

she got out some of her box of tricks and sensually fucked me with a anal vibrator.....slow and building up intensity until i got a total body orgasm with out cuming...she kept me there through sensually fucking me harder .....for ages....she kept me on the edge of cuming for ages.....my whole body was alive and then she dropped herself down on my cock while still fucking me with her vibrator and made me burst...

amazing
