The Lady:

Very curvy girl with fair hair. Youngish looking I would say early to mid twenties. Fairish longish hair which is coloured. Either light brunette or red. Great shape and size bum. One which you would be unable to take your eyes off as you watched her from behind walking away. Good size boobs which are natural. Attractive face. Good skin. Attractive smile ;-)

The Story:

This girl is a very nice hungarian girl. Greeted me with a kiss and introduced herself. Sorted out the finances and then the services I would require. I wanted 30 mins with anal otherwise the price would have been ?60 without anal. She had a body which I couldn't wait to get my hands on. Sex was very good and she was very attentive. I did ask for anal but I didn't seem up to to the job that night. Not her fault, performance issues on my part. Any way her physical attractiveness and physical connection and pussy was enough to keep me excited and happy. I finished deep inside her in mish position. It was nice seeing such a beautiful curvy woman underneath me as I humped her. She offers very good gfe and is very attentive and sensual. Would definitely revisit and intend to. I have to try her at A. Would definitely reccommend.
