The Lady:

Jenny is from Thailand about 5' 2" , long hair, smallish breasts, large nipples , age about late twenties.

The Story:

Usual price for this service, OWO would have been an extra ?10.00. We undressed and I gave her nipples some gentle attention which she seemed to enjoy. She wanted to go straight to oral on me but I said ladies first. After about ten minutes she came. Then it was on with the rubber for oral, good eye contact and then ten minutes in mish did it for me. She was quite tight but not too much. Had little chat afterwards. She is a pleasant young woman.
