The Premises:

Discreet entrance through the basement. The apartment is one street off the main road, so very little people on the street. Nice house with 3 play rooms and 2 showers. Its on 2 floors, the upper floor is for smoking and relaxing, nibbles and drinks are provided here. All the action takes place on the lower level.

The Lady:

There were 7 ladies in attendance.. Unfortunately, I only remember 2 names.. Danielle and Vanessa.. These 2 were absolutely gorgeous.. Daniella has a stunning body, looks great while lying down. Vanessa has really enchanting eyes, especially when she looks at you while giving oral.. I felt like under a spell, everything else around me was a blur.. The other girls were also very good but since I don't remember who was who, it wouldn't be of much use. All of them would qualify to be models..

The Story:

I arrived a few minutes into the party, changed, had a quick shower and within minutes I was been sucked on. There were other guys also but there was always be some girl available.. in fact, a couple of times, the girls came into to the rest area (where people smoke, have drinks and have breaks) and were seducing us to come down to play with them. I have been to other parties as well, but this was a first for me. The attitude of the girls is really commendable.. They seem to enjoy it as well as we do and it enhances the mood of the party.

The part I would remember for a long time was when towards the end all of the girls and remaining guys cuddled up in the same room. On my side were 2 girls pleasuring 2 other guys, I was in the middle being serviced by 2 girls and my hands were groping the other 2 on the side.. That was amazing..

Downside:

I think its fair to have some constructive criticism.

1) 2 hours seemed to fly by very quickly. I know to maintain this level of quality, time needs to be

short but I am just hoping it to be a bit more longer.. about 3 hours might be ideal.

2) I could not find any cash machines near Lancaster Gate, so come prepared with the money. I had to go a long way to find one.
