The Story:

As she was running a bit late having just washed her hair, we dried her hair and undid her dress. A bit weird but just seemed right.

A long snog followed with her lying on top of me until she slid down to kneel between my legs for incredible OWO, Using fingers and tongue in both holes I believe she reached a climax.

She then put on the dreaded condom for cowgirl and a few more positions

A shower followed by a very strong coffee saw me on my way.

Colette, thanks for a great time and hope to see you again for a longer time
