The Premises:

As per previous posts, perfectly fine and yet again I got the room with the en-suite. Bliss

The Lady:

See photos on web-site. Her face is covered up but what what you *can* see of her matches with reality

The Story:

Well - another good report for HoD and shows that a low price doesn't have to mean poor service. Light kissing from her got me hard both times we did the business (strangly more effective that a PSE-style tongue-down-the-back-of-the-throat session). Sucked me off the first time and did her from behind the next time round.
