The Story:

Decided to book after looking at website, so could only view partly obscured photos. Thought Ashley looked familiar, bingo, when she came for me I was over the moon she was the gorgeous Sasha I had known from her time at Sandyssuperstars, where she was my no 1 choice. Devine come to bed eyes and a figure to die for, boy does she know how to get your motor running. Plenty of fondling and kissing with fabulous gfe and very responsive, letting you know what she likes. Great personality and sense of humour and nothing is false. Top tottie. Next visit cant come soon enough! Think house uniform is a nice touch, leaves a little for the imagination, but not for long!
