The Story:

I've been using this site for years now and decided its time to start making a contribution.

I've visited Lori on 3 occasions now, and each time it gets better. All services are covered FK, OWO, CIM and Rimming. What more could you ask for. If like me you like asian girls, Lori is a gem. She is friendly, funny and engaging.

The last time i visited Lori we experimented with a few new things, things which are more common in Hong Kong, than here. I suggested the ice and fire OWO and Rimming. In a word fantastic. For those who don't know what that is.. Lori has ice in her mouth while she performs owo and rimming, then changes it to warm water. It made a change from the standard service you seem to get from a lot of places these days.

Lori provides her services very well. Her oral technique is very good. I love the way she plays with my balls or nipples, heightening the sensation. All in all I find Lori to be exceptionally good value for money in a city where that is difficult to find.

Just to finish i think Lori is one of those girls, the better you treat her the better your time spent with her.
