The Premises:

New ground floor flat in the usual collection of blocks. Clean and tidy.

The Lady:

For me, perfection, frankly. If I was building a woman and starting from scratch I have no doubt that I'd end up with a lady that looks like Jade! She's very petite, curvy, pert, smooth, beautiful smile and full lips.. long silky dark hair, sometimes straight, sometimes curly. Big dark, sexy eyes.

The Story:

I've seen Jade a couple of times before for half an hour but I wanted to spend more time with her so things were less rushed, so I booked an hour this time.

She came into the room with a smile on her face as always and reached up for a kiss (she's tiny and I'm quite tall!), she's a very genuine person and I feel really comfortable in her company. We seem to get on pretty OK as well which makes the whole experience more natural and a lot more enjoyable. She was wearing some very nice underwear, she always seems to have something different on and I get the impression that she's a bit of a collector!

Jade is a very kind, sexy and sensual person, not just her looks but her overall demeanor; she has that special something that you can't fake. I love to kiss more than anything and so does Jade which is fantastic. Plenty of time was spent just doing that, actually it was pretty much non-stop and very sexy.

As for the more personal bit, well that was great too. Her oral is just ecstasy, slow and deep with lots of hand-holding and eye contact (she loves a cheeky wink..). I always need a rest afterwards so I took my chance to return the favour. Not feeling rushed, I wanted to take my time as I really enjoy it though Jade dictated the pace somewhat as she seemed to enjoy it more and more!

After a bit of a cuddle Jade covered me up and slipped me inside her while I was lying on top. What started off as slow and sexy quickly became more intense as I picked her up to straddle me while I sat up and leaned back and we went with the flow until it all became too much.. we were in a nice

position to have another kiss and cuddle and enjoy the moment.

So, then a rest and a bit of a chat about Brazil and why I should visit. I'm already convinced, I'm going! We also chatted about a certain party that she had told me to come along to and at which I didn't see quite enough of her (hence this visit!). I'm definitely going again..

I still had a bit of time left so Jade set to work on giving me more of a good time. I don't normally struggle to get going again but the first time was so intense that I was pretty drained and it was a hot day which didn't help. She soon managed to get me aroused again though, yet more kissing helped, so I could enjoy her perfect bum from behind. Time was running out and just when I thought I'd not manage a second time she set to work with more oral and somehow managed to bring me home! At which point, she gave a little fist pump and a: 'Yes!', which was pretty hilarious, now that's a woman that takes pride in her work!

She's the most attractive girl I've ever met. I've told her this and she's coy about it as you'd expect, I'm sure she hears it a lot, but I can assure you that for me there's no hyperbole, I really mean it. She's great fun and the kind of girl you'd preferred to have met in 'real life', as it were, and I hope to be seeing her again soon.

Anyway I've rambled far too much. Suffice to say, Jade is amazing and I now have an enormous crush on her, if it wasn't already obvious, haha! :D
