The Premises:

Easy to find, discreet flat (I believe shared with someone else), but as someone else said - why so dark? And why must there always be background music?

The Lady:

Stunning. It says she's 22, but she could pass for 18. Sweet face, gorgeous slim body, very long hair. Tattoo across lower back and another on the shoulder. (Not my usual preference, but didn't spoil her looks).

The Story:

This was an unusual one. Finding myself in London with a couple of hours free one afternoon, I fancied a punt. I phoned a couple of agencies, and Jenny was available after the first 3 girls offered turned out not to be. When I arrived and saw her, I was delighted. She is petite, with the narrowest waist I've ever seen, lovely pert tits with suckable nipples (no good if you like them large, but beautifully in proportion to her slim, teenie body), a nice bum, slim legs, lovely skin and thick hair that reaches almost to her waist. Her pussy was a bit stubbly, but otherwise she was absolutely perfect.

An initial disappointment was that she said she had a mouth sore, so she wasn't able to offer OWO, and I had particularly wanted that - and CIM. However, her oral, even covered, is excellent, and she took me very deep ? so deep that at one point she actually brought up some goo.

Despite the stubble, her pussy looked so attractive that I had to have a taste, and insert a finger. She made all the right noises and seemed to enjoy the finger-fucking, but she was so gorgeous that I soon had to replace the finger with my cock. After some minutes of delightful mish, I lifted her slim and very light body up and bounced her on my cock for a while. Then I turned her around and was going to go for doggy when I decided that now would be a good time to see how she would cope with anal.

When she'd initially got me rubbered up and sucked me to hardness, she looked at my cock and declared it ?king sized?. I wouldn't say I'm much above average, but she seemed to think so. I'd

specifically asked the agency for deep throat and anal, and in the past one or two girls have declared my cock too big for the tightest hole. I was worried that Jenny would do the same, but she didn't disappoint. She lubed up, and I inserted first one finger and then (with some difficulty) a second, opening her up a little. Nonetheless, she was very, very tight, and at first I struggled to get inside. However, Jenny's sweet schoolgirl looks belie her truly professional skills and commitment. She persevered, and after a bit of a struggle (I found it difficult to maintain a solid erection which is normally an essential for anal) I finally made it through. She was as tight as I could ever have wished, and again, she made lots of the right noises and pushed back to meet my thrusts. We were going nicely, and I was well on the way when her bloody phone rang. Although she made no attempt to answer it, it was still really off-putting. When it finally stopped, I was still fucking her arse, but I was off the boil, so I tried to encourage her to talk dirty to me to help me get off. Some girls don't like that, but having declared me 'so fucking big' earlier, I thought she would get the hint. Sadly she didn't. Then her phone rang again, so I pulled out and suggested she answer it, as clearly someone wanted to talk to her and wouldn't stop calling until she answered.

After she'd finished the call (mercifully quickly), I'd lost my erection, so I got her to DT me some more - again excellent - and then to ride me with her sweet pussy until I finally came. It wasn't my best ever cum, but that was more my fault than hers. After the rubber was disposed of, she gave me a Thai-style massage (OK but I wouldn't bother again) and a nice cuddle. I'd had at least 10 minutes more than my allotted time, and it was me watching the clock, not her when I got up to dress (she helped me) and I reluctantly left.

All in all I'd say that if you want a truly beautiful, sweet girl with the body of a teenager, who can deep throat, ride your cock with a nice tight little pussy and takes it up the arse like a trouser, you won't be disappointed in Jenny. I've had very few girls as pretty - I'd say none prettier - and very few who work so hard to ensure you have a good time. Thank you again, Jenny - you were a fantastic dirty princess for me. Just next time, please turn your phone off!
