The Story:

I had an incredible, sexy, fun time with Sienna.

I knew I was in for a great time as soon as she entered the room. My report can't even begin to give her fine looks and personality the praise it deserves. She's a really happy, smiley type of girl and is very confident in the room.

She started off by giving me a back rub, kissing my back and teasing my cock and balls. We soon moved on to lots of DFK and mutual caressing of each other's bodies. I spent loads of time squeezing and licking her fantastic tits. Brilliant OWO followed with lots of eye contact. I did RO on her whilst continuing to play with her tits and she really enjoyed this. She put the condom on me and positioned into amazing cowgirl. She really got into it and was enjoying it as much as I was. After a few minutes of grinding on my cock, she asked me to fuck her from behind. Doggy style was brilliant and it wasn't long before I came.

It was a really fun time together. We had lots of laughs and it was kind of like two fuck buddies getting together for a good shagging session.

Highly recommended and will be seeing her again very soon.
