The Premises:

Just off the Edgware road, on the way to Paddington. The buzzer is startlingly noisy, but the building also has businesses in it so people going in and out seemed inconspicuous to me. Like other asian girls, Jenny has made an effort to make her place tidy and create an atmosphere - low lights, candles etc. which doesn't add much for me, but nonetheless. Good shower and a modern/clean bathroom - that's always a big positive for me.

The Lady:

Jenny looked better than expected - compared with meeting her in person, her website pics seem a bit harshly lit. Her features are softer and she has a natural sexiness which is hard to see in the 'big smiles' shots. When I arrived she was wearing heels and a suspender belt combo - which framed her bottom brilliantly - instant turn on!

The Story:

I did my usual - start slowly, then speed up. Handed over the \$ with a teasing wink, then both jumped into the shower. I can take or leave assisted bathing, but it's an easy ice-breaker so I just went with the flow. Then back into the room for a seated shoulder massage which naturally flowed into owo somewhere between GFE and PSE - deep but not messy! I like a more porno style, but that's not really Jenny; having said that she makes up for it with what seemed to me like signs of genuine arousal. When she lowered herself onto my "son" as she calls it, she squeaked with every centimetre! There's a mirror in front of the couch and bed, so the view gave me a bit more of my porno style preference. Only managed one round, but wasn't feeling greedy and had an appointment to get to. On reflection everything was face-to-face, no doggy etc. but given how sexy her bottom is, I think I made a schoolboy error there!
