The Story:

Chantelle is something else. Late 20's and gorgeous. Lots of full on deep french kissing for ages and right the way through while we were shagging. Stopped kissing to deep throat my cock, right down no messing about, warm wet slurpy cock sucking. Total porn experience, rubbered up and shagged doggy. Was going to cum in her mouth but shot my bolt too early. My fault. Brilliant lady, total dirty slut experience. Shagged me really well even though she'd probably had a dozen other cocks down her throat that day.

Shag her, just do it, she is fantastic.
