The Story:

She advertises mainly on another well known site but also in newsagent windows Claims a long list of likes for the 60/90 half hour to hour punt. Despite misgivings of bedroom I handed over my 60. She went to another flat but did promptly return. She took her underwear off I leaned in for a kiss. No dice. Kissing (and as it turned out) every other act was extra. Certainly not as advertised. I even showed her advert to her on my phone. She was unmoved. I cut my losses and left. A complete scam artist. Avoid at all costs.
