The Story:

Was a little nervous at first but Stacey straight away helped me feel more comfortable. After chatting a for a little bit we moved onto a massage which was very relaxing, this girl actually seems to know how to massage.

I wont go into to much detail as to what happened next but Stacey seemed very eager to please and delivered a fantastic service. So fantastic in fact that i still had 20 minutes left of my appointment after everything so we spent the time have a nice chat.

Definitely a new star in the making
